YOU ARE WORTH IT.

TAKE A MOMENT:

We realize that you are struggling right now, but it's important to remember that you are amazing, loved, and worthy of staying alive. You can make it through this today. It's important to be aware of your thoughts, but to not act on your current temporary thoughts. Use this Suicide Safety Plan to help you through this time. Customize it to your situation.

DISTANCE YOURSELF:

Suicidal thoughts become stronger when you've consumed alcohol or drugs. Additionally, it's important to remove yourself from environments where you have access to things can be used to harm yourself.

FOLLOW THROUGH WITH YOUR SAFETY PLAN:

Reflect on your reasons to live at a pre-planned safe place for you. Reach out to your contacts below and follow your plan. If this is not enough, reach out to a professional immediately.
